

Creating a 1 hectare area of OS Sitemap DXF data

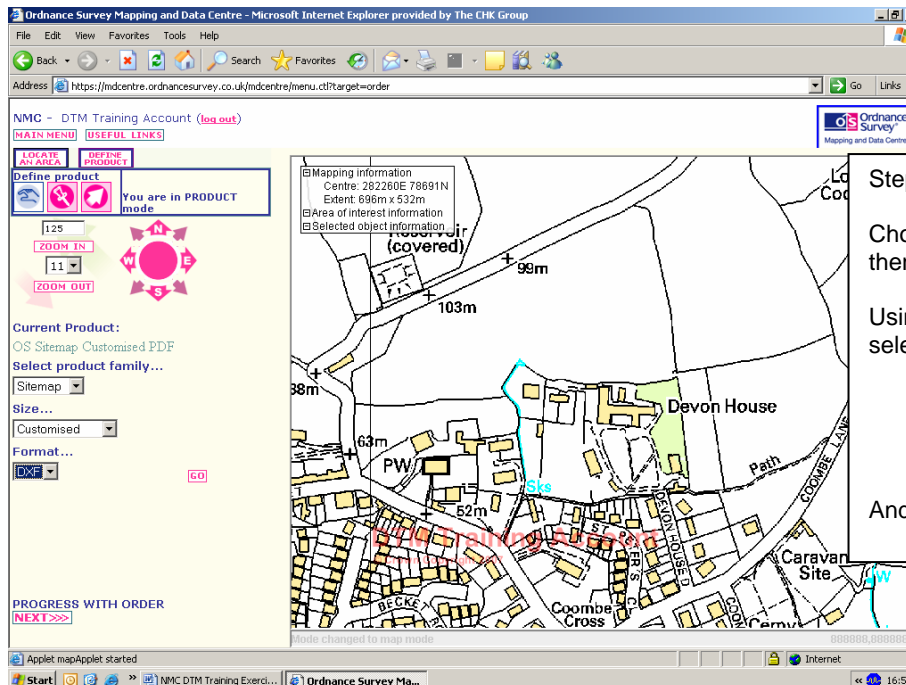

As specified in Exercise 1, log in to the site, click on create a new order and select the 'Magnifying Glass' symbol under the 'Locate an area' tab.

Step 1

Click on the drop down menu under 'Search by' and postcode.

Enter the details (e.g. TQ13 9HB) and press the 'GO' button.

Step 2

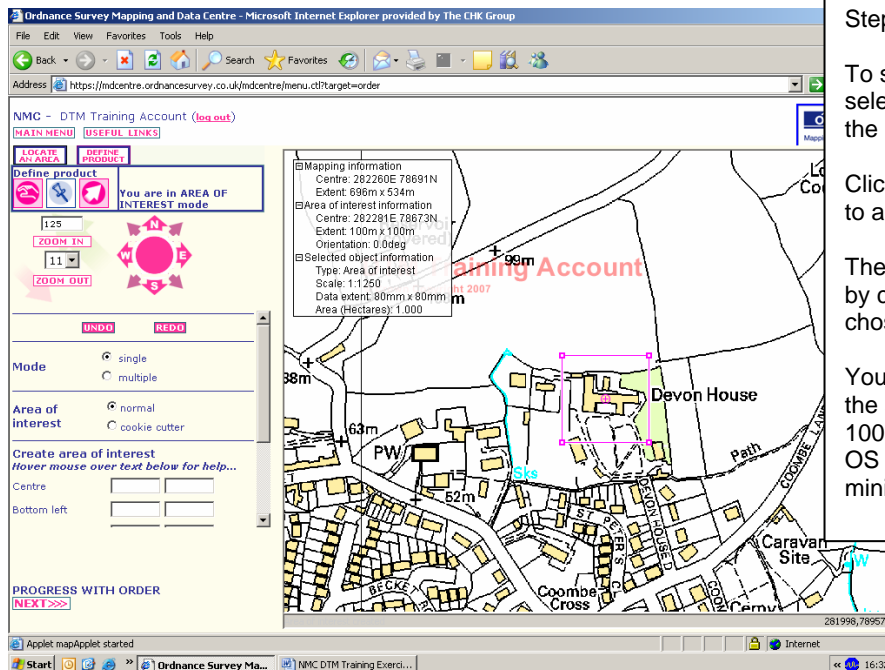

Choose the 'Define Product' tab then click on the 'Hand' icon.

Using the drop down menus select:

- Sitemap
- Customised
- DXF

And select 'GO'.

National Map Centre - Desktop Mapping Exercise 3

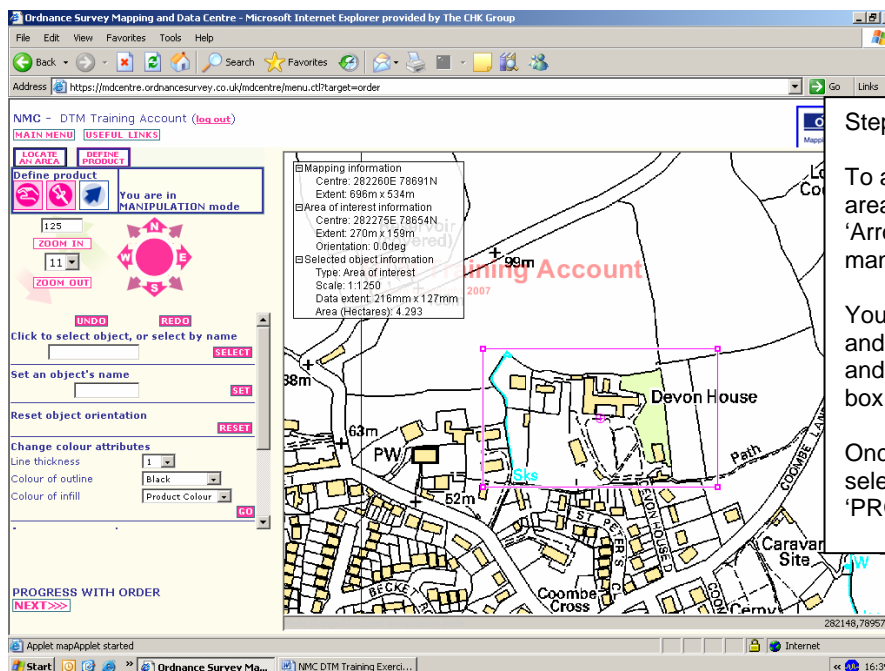

Step 3

To select an Area of Interest (AOI) select the 'Map Pin' symbol under the 'Define Product' tab.

Click once on the mapping screen to activate use.

Then select the centre of the AOI by clicking the map on your chosen area.

You will now see a pink box on the screen that represents an area 100m x 100m (i.e. 1 Hectare of OS Sitemap DXF data (the minimum that can be purchased).

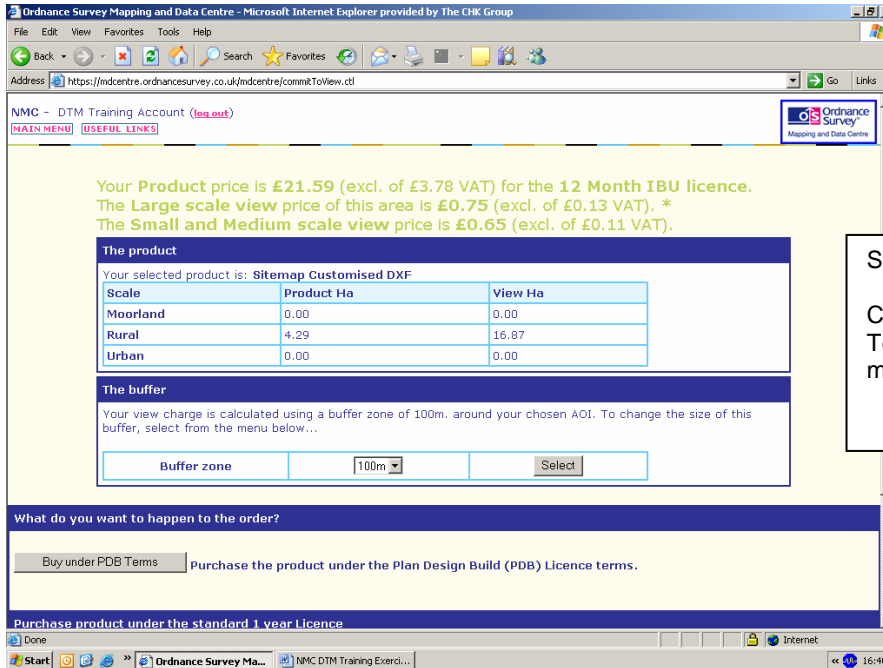

Step 4

To alter the size and shape of the area of Interest (AOI) click on the 'Arrow' symbol to activate manipulation mode.

You can now change the width and height of the AOI by clicking and dragging on the corners of the box.

Once you are happy with AOI select the 'Next' icon under 'PROGRESS WITH ORDER'.
