

## PDB Licence details

The screenshot shows the 'DTM Promo account' interface. On the left, a 'Main Menu' section is highlighted with a yellow circle containing the number '1'. The menu items are:

Where to go from here...	Read the	
One year Internal Business Use (IBU) licence terms	Read the	GO
Plan Design and Build (PDB) licence terms	Read the	GO
Create a new order		GO
Go straight to saved order(s)		GO
View archived order(s)		GO
Change your password		GO
Log out		GO

The main content area shows product details for 'Sitemap Customised DXF'. It includes a table for 'The product' with columns for Scale, Product Ha, and View Ha:

Scale	Product Ha	View Ha
Moorland	0.00	0.00
Rural	0.00	0.00
Urban	9.21	25.35

Below this table, there is a section for 'The buffer' with a dropdown menu for 'Buffer zone' set to '100m' and a 'Select' button. A yellow circle with the number '2' is placed over the 'Buy under PDB Terms' button in the 'What do you want to happen to the order?' section.

## Selecting the Plan, Design and Build (PDB) Licence for Desktop Mapping Customers

Please refer to the document about Licensing for information about the 'Plan, Design and Build (PDB) Licence'.

(1) For more comprehensive information about the two types of licence – there are two related links in the Main Menu section of the system (as shown above).

(2) To select a 'Plan, Design and Build (PDB) Licence' choose the 'Buy under PDB Terms' button found on the Commit to View screen (as above). Complete the details of the PDB form, as shown on the 'Selecting PDB Licence' document, and also select the 'Yes' tick-box to confirm the licence selection.

**Please Note:** PDB Licensing is only available for OS Sitemap Customised DXF mapping.
